Safety is our greatest concern. On the tatami, it is the referee's responsibility.

As usual we will hold referee/officials workshops prior to the tournament.

Referees/Officials workshop takes place:

Wednesday, 15th March, Honbu Dojo. This is the second workshop in 2023 in preparation for April's Nationals. The workshops are open to karateka 15 years and over and family of karateka who wish to be involved and help out at IKKI National Tournaments. Teamwork is essential on the day.

Referees/Officials (teams) will be selected after the workshop.

In the interest of safety:

WKF rules and IKKI referee/scorekeepers workshop must be adhered to, especially where fouls are concerned. This is of paramount importance. Specific WKF rules will apply to under 14 years of age.

Gum shields and mitts are compulsory for all competitors regardless of grade or age.

Only competitors, referees/officials will be allowed in the competition area.

Tuck shop (fundraiser)

There will be a tuck shop in operation during the competition. The tuck shop requires input from all the clubs to make it a success.

Squad Competitors:

Please list your kata and kumite squad competitors by name, age and rank so they can be assigned to meaningful categories as per entry sheet

Squad students kata: as for club students including Kusanku-Dai, Kusanku-Sho, Seipai, Goju Shiho, Chinto, Unshu, Seienchin, Suparinpe, Niipaipo, Tomari Baisai and Tomari Wanshu.

Kata must be performed to IKKI tradition.

IKKI crest must be the only crest on the Gi besides the manufacturers.

Closing date for entries is Sunday 26th March 2023

No entries after this date

Please do not register competitors after the closing date as they can't be facilitated. Competitors arriving on the morning of the tournament will not be facilitated. Please make this known to all your students.
